MAY 28, 2003

Dear Shareholder:

You are invited to attend the annual meeting of shareholders of Black Hills Corporation to be held on Wednesday, May 28, 2003 at 9:30 a.m., local time, at The Journey Museum, 222 New York Street, Rapid City, South Dakota. The purpose of our annual meeting is to consider and take action on the following:

1. Election of three Directors: David C. Ebertz and John R. Howard as Class III Directors and Daniel P. Landguth as a Class II Director.
2. Ratification of Deloitte & Touche LLP to serve as independent auditors for the year 2003.
3. Any other business that properly comes before the annual meeting.

The enclosed proxy statement discusses the important matters to be considered at this year's meeting. Our common shareholders of record as of April 11, 2003 can vote at the annual meeting.

Your vote is very important. You may vote your shares by telephone, by the Internet or by returning the enclosed proxy. If you own shares of common stock other than the shares shown on the enclosed proxy, you will receive a proxy in a separate envelope for each such holding. Please vote each proxy received. To make sure that your vote is counted if voting by mail, you should allow enough time for the postal service to deliver your proxy before the meeting.

Sincerely,

STEVEN J. HELMERS

PROXY STATEMENT

A proxy in the accompanying form is solicited by the Board of Directors of Black Hills Corporation, a South Dakota corporation, to be voted at the annual meeting of our shareholders to be held Wednesday, May 28, 2003, and at any adjournment of the annual meeting.

The enclosed form of proxy, when executed and returned, will be voted as set forth therein. Any shareholder signing a proxy has the power to revoke the proxy in writing, addressed to our secretary, or in person at the meeting at any time before the proxy is exercised.

All shares represented by valid, unrevoked proxies will be voted at our annual meeting. Shares voted as abstentions on any matter, or as "withhold authority" as to votes for members of our Board of Directors, will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting but will be counted as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which the shareholder has abstained. If a broker submits a proxy which indicates that the broker does not have discretionary authority as to certain shares to vote on one or more matters, those shares will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting, but will not be considered as present and entitled to vote with respect to such matters.

We will bear all costs of the solicitation. In addition to solicitation by mail, our officers and employees may solicit proxies by telephone, fax, or in person. Georgeson Shareholder Communications, Inc. has been retained to assist in the solicitation of proxies at an anticipated cost of \$5,500 plus out-of-pocket expenses. Also, we will, upon request, reimburse brokers or other persons holding stock in their names or in the names of their nominees for reasonable expenses in forwarding proxies and proxy materials to the beneficial owners of stock.

This proxy statement and the accompanying form of proxy are to be first mailed on or about April 21, 2003. Our 2002 annual report to shareholders is being mailed to shareholders with this proxy statement.

VOTING RIGHTS AND PRINCIPAL HOLDERS

Only our shareholders of record at the close of business on April 11, 2003, will be entitled to vote at the meeting. Our outstanding voting stock as of such record date consisted of 27,464,723 shares of our common stock.

Each outstanding share of our common stock is entitled to one vote. Cumulative voting is permitted in the election of our Board of Directors. Each share is entitled to three votes, one each for the election of three directors, and the three votes may be cast for a single person or may be distributed among two or three persons.

COMMONLY ASKED QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING PROCESS

Q: Who is soliciting my proxy?

A: The Board of Directors of Black Hills Corporation.

Q: Where and when is the annual meeting?

A: 9:30 a.m., Mountain Daylight Time, May 28, 2003 at The Journey Museum, 222 New York Street, Rapid City, South Dakota.

Q: What am I voting on?

- A:**
- Election of three Directors: David C. Ebertz and John R. Howard as Class III Directors and Daniel P. Landguth as a Class II Director.
 - Ratification of Deloitte & Touche LLP as our independent auditors for 2003.

Q: Who can vote?

A: Holders of our common stock as of the close of business on the record date, April 11, 2003, can vote at our annual meeting. Each share of our common stock gets one vote. Cumulative voting is permitted in the election of directors. Each share is entitled to three votes, one each for the election of three directors, and the three votes may be cast for a single person or may be distributed among two or three persons.

Q: How do I vote?

A: There are three ways to vote by proxy:

- by calling the toll free telephone number on the enclosed proxy;
- by using the Internet; or
- by returning the enclosed proxy in the envelope provided.

You *may* be able to vote by telephone or the Internet if your shares are held in the name of a bank or broker. Follow their instructions.

If we receive your signed proxy before the annual meeting, we will vote your shares as you direct. You can specify on your proxy whether your shares should be voted for all, some or none of the nominees for directors. You can also specify whether you approve, disapprove or abstain from the other proposal.

If you do not mark any sections, your proxy card will be voted:

- in favor of the election of the directors named in Item 1; and
- in favor of Item 2.

You have the right to revoke your proxy any time before the meeting by:

- entering a new vote by telephone or Internet;
- notifying our secretary in writing;
- sending a later dated proxy changing your vote; or
- attending the meeting in person and revoking your proxy at any time before the proxy is exercised.

Q: Who will count the vote?

A: Representatives of Wells Fargo Bank Minnesota, N.A. will count the votes and serve as judges of the election.

Q: What constitutes a quorum?

A: As of the record date, April 11, 2003, 27,464,723 shares of our common stock were issued and outstanding. In order to conduct the annual meeting, more than one-half of the outstanding shares must be present or be represented by proxy. This is referred to as a "quorum." If you submit a properly executed proxy card, you will be considered as part of the quorum. Proxies marked as abstaining on any proposal to be acted on by shareholders will be treated as present at the annual meeting for purposes of a quorum. Proxies marked as abstaining, however, will not be counted as votes cast on that proposal. Abstaining proxies include proxies containing broker non-votes.

Q: What vote is needed for these proposals to be adopted?

A: More than one-half of shares present either in person or by proxy and entitled to vote at the annual meeting must vote for a proposal in order for it to be adopted. For the election of directors, votes “withheld” will be considered votes against the directors. For all other proposals, abstentions and broker non-votes will not be counted as “votes” cast.

Q: What should I do now?

A: You should vote your shares by telephone, by the Internet or by returning your signed and dated proxy card in the enclosed envelope as soon as possible, so that your shares will be represented at the annual meeting.

Q: Who conducts the proxy solicitation and how much will it cost?

A: We are asking for your proxy for the annual meeting and will pay all the cost of asking for shareholder proxies. We have hired Georgeson Shareholder Communications, Inc. to help us send out the proxy materials and ask for proxies. Georgeson Shareholder Communications, Inc.’s fee for these services is anticipated to be \$5,500, plus out-of-pocket expenses. We can ask for proxies through the mail or by telephone, fax, or in person. We can use our directors, officers and regular employees to ask for proxies. These people do not receive additional compensation for these services. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of our common stock.

Q: Can I revoke my proxy?

A: Yes. You can change your vote in one of four ways at any time before your proxy is used. First, you can enter a new vote by telephone or Internet. Second, you can revoke your proxy by written notice. Third, you can send a later dated proxy changing your vote. Fourth, you can attend the meeting and vote in person.

Q: How will my shares be voted if they are held in a broker’s name?

A: Your broker may vote shares nominally held in its name, or in what is commonly called “street name,” under some circumstances, only if you provide the broker with written instructions on how to vote.

2

Q: What happens if I do not give my broker instructions?

A: Absent your instructions, under some circumstances, these shares will not be voted. Therefore, we urge you to instruct your broker in writing to vote shares held in street name.

Q: Who should I call with questions?

A: If you have questions about the annual meeting, you should call Steven J. Helmers, Senior Vice President, General Counsel and Secretary, at (605) 721-1700.

Q: When are the shareholder proposals for the annual meeting held in 2004 due?

A: In order to be considered, you must submit proposals for next year’s annual meeting in writing to our secretary at our executive offices at 625 Ninth Street, P.O. Box 1400, Rapid City, South Dakota 57709, prior to December 23, 2003.

ITEM 1: ELECTION OF DIRECTORS

In accordance with the Bylaws and Article Sixth of the Articles of Incorporation, members of our Board of Directors are elected to three classes of staggered terms consisting of three years each. At this annual meeting of our shareholders, two Directors will be elected to Class III of the Board of Directors to hold office for a term of three years until our annual meeting of shareholders in 2006, and until their respective successors shall be duly elected and qualified. One Director will be elected to Class II of the Board of Directors to hold office for a term of two years until our annual meeting of shareholders in 2005, and until his successor shall be duly elected and qualified.

All three nominees for directors are presently members of our Board of Directors. The proxy attorneys will vote your stock for the election of the three nominees for directors listed below, unless otherwise instructed. If, at the time of the meeting, any of such nominees shall be unable to serve in the capacity for which they are nominated or for good cause will not serve, an event which the Board of Directors does not anticipate, it is the intention of the persons designated as proxy attorneys to vote, at their discretion, for nominees to replace those who are unable to serve. The affirmative vote of a majority of the common shares present and entitled to vote with respect to the election of directors is required for the election of the nominees to the Board of Directors.

The following information, including principal occupation or employment for the past five or more years, is furnished with respect to each of the following persons who are nominated as Class III Directors, each to serve for a term of three years to expire in 2006.

This term as a Class II Director coincides with the term of the employment contract between us and Mr. Landguth described below. The Board of Directors is actively engaged in a process to fill the vacancy in Class III that will be created upon the election of Mr. Landguth as a Class II Director. The Board and Committees

Our Executive Committee is comprised of John R. Howard, Everett E. Hoyt, Kay S. Jorgensen and Daniel P. Landguth, with Mr. Landguth serving as Chairperson. The Committee acts upon authority delegated by the Board of Directors in the interval between meetings of the Board. The Committee also recommends to the Board of Directors persons to be elected as officers, and supports the Board in the performance of its duties relating to strategic planning. The Executive Committee held four meetings during 2002.

In late 2001, the Board of Directors established the position of Lead Director. John R. Howard was elected to hold this position, and continues to do so. The responsibilities of Lead Director, as provided in the Board's Governance Guidelines, are to chair executive sessions of the Independent Directors and communicate the Board's annual evaluation of the Chairman and CEO to those individuals. The Lead Director, together with the Independent Directors, establishes the agenda for executive sessions, to be held at the end of each regular meeting. The Lead Director also acts as Chairman of regular meetings of the Board in the absence of the CEO/Chairman.

Our Compensation Committee is comprised of David C. Ebertz, John R. Howard, Kay S. Jorgensen and Thomas J. Zeller, with Mr. Ebertz serving as Chairperson. The Committee performs functions required by the Board of Directors in the administration of all federal and state statutes relating to employment and compensation, recommends to the Board of Directors compensation for officers, and considers and approves the Company's compensation program including benefits, stock option plans and stock ownership plans. The Compensation Committee held seven meetings in 2002.

9

Our Audit Committee is comprised of Bruce B. Brundage, John R. Howard, David S. Maney and Thomas J. Zeller, with Mr. Brundage serving as Chairperson. The Committee annually recommends to the Board of Directors an independent accounting firm to be appointed by the Board for ratification by our shareholders, reviews the scope and results of the annual audit including reports and recommendations of the firm, reviews our internal audit function, and periodically confers with the internal audit group, our management, and our independent accountants. The Audit Committee held five meetings in 2002.

Our Governance Committee is comprised of Bruce B. Brundage, David C. Ebertz, John R. Howard, Kay S. Jorgensen and David S. Maney, with Mr. Howard serving as Lead Director and Chairperson. The Committee recommends to the Board of Directors persons to be nominated as directors or to be elected to fill vacancies on the Board. The Bylaws require that an outside director serve as Chairperson of the Committee. The Charter of the Governance Committee provides that the Lead Director shall serve as Chairperson. The Governance Committee held eleven meetings in 2002.

Pursuant to our Bylaws, nominations from our shareholders for membership on the Board of Directors will be considered by the Governance Committee. Our shareholders who wish to submit names for future consideration for Board membership should do so in writing prior to December 23, 2003, addressed to Governance Committee, c/o Corporate Secretary, Black Hills Corporation, P.O. Ameer, a Director until March 27, 2003, is President and Chief Executive Officer of Rapid City Regional Hospital. We paid approximately \$135,328 to Western Health in 2002 for its services.

Gerald R. Forsythe, a member of the group owning more than five percent of our common stock, owns two companies that have or are providing services to two of our subsidiaries. Forsythe Building Fund leases an office building to Black Hills Energy Capital, Inc. [(n/k/a) Black Hills Generation, Inc.] for approximately \$10,961 per month. Indeck Power and Equipment Company, Inc. leased ten diesel generators to Black Hills Power, Inc. from March 15, 2001 to September 15, 2001, for approximately \$25,000 per month/per unit. The leases were

terminated on September 15, 2001. Although the leases contained a cancellation fee of \$1,250,000 for all ten generators, the parties negotiated to settle their respective rights and obligations upon termination of the leases. Black Hills Power, Inc. paid a total cancellation fee of \$800,000 in April 2002.

During 2002, Black Hills Energy Capital, Inc. [(n/k/a) Black Hills Generation, Inc.] and its subsidiaries obtained insurance coverage (including new policies and policy renewals) through The Plexus Groupe Inc., which is a broker for commercial insurance policies. We obtained or renewed policies during 2002 for general liability, commercial umbrella, workers compensation, business auto, builders risk, property and health and dental care coverage. Walter R. Fawcett, III, President of The Plexus Groupe, is the husband of Michelle R. Fawcett and the son-in-law of Gerald R. Forsythe, both of whom are deemed to be beneficial owners of more than five percent of our common stock. According to the Schedule 13D filed by Mr. Forsythe, he, Ms. Fawcett and the shareholders identified therein may be deemed to be a "group" for purposes of the Securities Exchange Act of 1934. Specifically, Black Hills Energy Capital purchased: Group Insurance (Medical, Dental, Life, Disability Plans), for which the approximate brokerage commissions paid by the various carriers to The Plexus Groupe for 2002 was approximately \$22,330; and, Commercial Insurance (CGL, Business Auto, WC, Umbrella, Environmental), for which the approximate brokerage commission received by The Plexus Groupe for 2002 was approximately \$33,284. Additionally, in October 2002, we agreed to pay The Plexus Groupe \$50,000 for insurance brokerage and consulting services related to obtaining and maintaining a new property policy for Black Hills Generation and its subsidiaries, for transitioning certain of our independent power projects from the builders risk policies to the new property policy, for consulting services related to negotiating and complying with insurance requirements in project financing agreements and other insurance-related services.

Directors' Fees

Directors who are not officers receive an annual fee of \$24,000 plus a fee of \$1,000 for each board meeting and committee meeting attended, provided such committee meetings are substantive in nature and content. Also, the Lead Director receives an annual retainer fee of \$8,000 and the Committee Chairpersons receive an annual retainer fee of \$4,000.

In addition, each outside director receives common stock equivalents equal to \$15,000 per year divided by the market price of our common stock. The common stock equivalents are payable in stock or cash at retirement or can be deferred at the election of the director.

Members of our Board of Directors are required to beneficially own 100 shares of common stock when they are initially elected a director and to apply at least 50 percent of his or her retainer toward the purchase of additional shares until the director has accumulated at least 2,000 shares of common stock.

The Committee retains the services of an independent international consulting firm, Hewitt Associates, to review and evaluate our compensation program as compared to compensation practices of other companies with similar characteristics, including size, type of business and compensation philosophy. In addition, the Committee also engaged an independent consultant in 2001 to review and provide guidance regarding Black Hills Corporation's executive compensation philosophy and practices and trends in compensation programs. In response to the increased competition in the energy industry and changes in the size and mix of our business, the comparative groups are comprised of both utility and general industry companies. (The companies included in the comparative group are not identical to those included in the EEI Investor-Owned Electric Index in the Stock Performance Graph included in this proxy statement). The Committee seeks to establish a market based competitive compensation program that is at or near the median, 50th percentile, of the comparative groups surveyed. Recommendations made by the Committee are based upon the market analysis, company performance and achievement of individual performance objectives.

In May 2002, the Compensation Committee reviewed the base salary of our Chief Executive Officer. In determining the base salary, the Committee considered the recommendations from the Hewitt Associates study as well as the goals and objectives of the strategic plan which included financial measurements such as earnings growth and stock performance covering the previous 12 month performance period. At year end, 2001 earnings were \$3.42 per share compared to \$2.37 the previous year, while the stock price at year end 2001 was \$33.84 compared to \$44.75 the previous year. Generating capacity in the independent power business unit increased by 50 percent to 617 megawatts during this 12 month performance period with 400 megawatts under construction. The Compensation Committee balanced Company performance during these 12 months which experienced extreme market volatility and recommended to the Board of Directors, which was approved, a base wage increase for the Chief Executive Officer of 3.1 percent based off a prior base wage of \$501,100.

We currently maintain a variety of employee benefit plans and programs in which our executive officers may participate, including the Short-Term Annual Incentive Compensation Program, the Retirement Savings Plan, the Pension Plan, and the Pension Equalization Plan. With the exception of the Short-Term Annual Incentive Plan and the Pension Equalization Plan, these benefit plans and programs are generally available to all of our employees.

The Short-Term Annual Incentive Compensation Program was designed to recognize and reward the contribution that group performance makes to corporate success. Our corporate officer group is eligible to participate in the plan. The program has a corporate goal that is based upon the percentage of consolidated earnings per share that exceed targeted amounts as well as certain performance goals for certain plan participants. Target award levels are a percent of each participant's base salary. The target percentage for our Chief Executive Officer was 55 percent of base salary. Target levels for other corporate officers will vary based upon competitive benchmarks and position. The chief executive officer's award opportunity can range from zero percent to two times the target percent. Individual awards may be adjusted based on assessment of individual performance and level of contribution. As a result of 2002 actual to budget earnings per share growth and based on pre-determined targets, the Chief Executive Officer received a payment of \$176,126 or 62 percent of target payout level. Other corporate officers received payouts under this plan based upon 2002 actual earnings and the accomplishment of other specific goals. The minimum payout awarded was 62 percent of the respective individual targets.

12

Long-term incentive compensation is based on long-term incentives granted by the Compensation Committee under our 1999 Stock Option Plan ("Stock Option Plan") and 2001 Omnibus Incentive Compensation Plan ("Omnibus Incentive Plan"). Both of these plans were previously approved by our shareholders. The Stock Option Plan and Omnibus Incentive Plan are intended to promote our goals and link the personal interests of participants to those of our shareholders; to provide participants with an incentive for excellence in individual performance; to provide teamwork among participants; and to provide flexibility to us in our ability to motivate, attract, and retain the services of participants who make significant contributions to our success and allow participants to share in such success. The Compensation Committee oversees the administration of the Stock Option Plan and Omnibus Incentive Plan with full power and authority to determine when and to whom awards will be granted and the type, amount and other terms and conditions of each award. The Compensation Committee believes that executive compensation tied to stock price appreciation is an effective way to align the interests of management with those of our shareholders.

In 2002, awards of restricted stock and nonqualified stock options were granted to corporate officers who participated in the Long-Term Incentive Compensation Plan. The value of these awards were reflective of corporate performance in 2001 as well as the intent to be market competitive based upon market data presented by Hewitt Associates. Restricted shares vest one-third a year over a three-year period, except for Mr. Hoyt's restricted stock which vests 50 percent a year over two years. Dividends are paid on the restricted shares, however, any unvested restricted shares are forfeited if an officer's employment is terminated for any reason other than death, disability, retirement or vesting in connection with a change of control. The Chief Executive Officer received an award of 7,530 restricted shares. Awards of restricted stock to other plan participants ranged from 1,000 shares to 3,135 shares.

In 2002, under the Long-Term Incentive Compensation Plan, nonqualified stock options were granted. The Chief Executive Officer received 24,295 options. Grants of similar stock options were made to other corporate officers that ranged in size from 3,215 options to 10,110 options. The Vice President of Risk Management received 20,000 nonqualified stock options as part of an employment package to begin employment with the Corporation. Nonqualified stock option awards are granted with an exercise price equal to the market

price of our common stock on the date of grant and vest one-third a year over a three-year period, except for Mr. Hoyt's options which vest 50 percent a year over two years. All options expire in ten years.

Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended, limits the tax deductibility by a corporation of compensation in excess of \$1 million paid to its Chief Executive Officer and any of its four most highly compensated executive officers. However, compensation, which qualifies as "performance-based" is excluded from the \$1 million limit, if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the corporation's shareholders.

It is our policy to qualify, to the extent reasonable, our executive officers' compensation for deductibility under applicable tax law. However, we intend to retain the flexibility necessary to provide total cash compensation in line with competitive practice, our compensation philosophy, and our best interests and may from time to time pay compensation to our executive officers that may not be deductible for tax purposes.

Retirement Plans

We have a defined benefit retirement plan, a pension plan, covering approximately 60 percent of our employees. The plan provides benefits at retirement based on length of employment service and average monthly pay in the five consecutive calendar years of highest earnings out of the last ten years. Our employees do not contribute to the plan. The amount of annual contribution by us to the plan is based on an actuarial determination. Accrued benefits become 100 percent vested after an employee completes five years of service.

We also have a Pension Equalization Plan, a nonqualified supplemental plan, in which benefits are not tax deductible until paid. The plan is designed to provide the higher paid executive employee a retirement benefit which, when added to social security benefits and the pension to be received under the defined benefit retirement plan, will approximate retirement benefits being paid by other employers to its employees in similar executive positions. The employee's pension from the qualified pension plan is limited under current law to \$160,000 annually and the compensation taken into account in determining contributions and benefits cannot exceed \$200,000 and cannot include nonqualified deferred compensation. The amount of deferred compensation paid under nonqualified plans such as the Pension Equalization Plan is not subject to these limits. A participant under the Pension Equalization Plan does not qualify for benefits until the benefits become vested under a vesting schedule — 20 percent after three years of employment under the plan increasing up to 100 percent vesting after eight years of employment under the plan. No credit for past service is granted under the Pension Equalization Plan. The annual benefit is 25 percent of the employee's average earnings, if salary was less than two times the Social Security Wage Base, or 30 percent, if salary was more than two times the Social Security Wage Base, multiplied by the vesting percentage. Average earnings are normally an employee's average earnings for the five highest consecutive full years of employment during the ten full years of employment immediately preceding the year of calculation. The annual Pension Equalization Plan benefit is paid on a monthly basis for 15 years to each participating employee and, if deceased, to the employee's designated beneficiary or estate, commencing at the earliest of death or when the employee is both retired and 62 years of age or more. A participant with vested benefits who is 55 years of age or more and no longer an employee of the Company may elect to be paid benefits beginning at age 55 or older, subject to a discount of such benefits.

In the event that at the time of a participant's retirement, the participant's salary level exceeds the qualified pension plan annual compensation limitation of \$200,000 or includes nonqualified deferred compensation, then the participant shall receive an additional benefit which is measured by the difference between (i) the monthly benefit which would have been provided to the participant under the defined benefit retirement plan as if there were no annual compensation limitation and no exclusion on nonqualified deferred compensation, and (ii) the monthly benefit to be provided to the participant under the defined benefit retirement plan.

We amended the Pension Equalization Plan, effective January 30, 2001, to provide for an additional benefit to compensate for the \$160,000 annual defined benefit pension limitation. The additional benefit is measured by the difference between the monthly benefit which would have been provided to the participant under the defined benefit retirement plan as if there were no annual defined benefit pension limitation and the monthly benefit to be provided to the participant under the defined benefit retirement plan.

Participants in the Pension Equalization Plan are designated by our Board of Directors upon recommendation of the Chief Executive Officer. Selection is based on key employees as determined by management and consideration of performance rather than being based solely on salary. The minimum salary component applied in the selection process is the maximum annual Social Security taxable wage base that is presently at \$87,000.

The years of credited service under the defined benefit retirement plan for the executive officers shown in the preceding summary compensation table are as follows: Daniel P. Landguth, 33 years; Everett E. Hoyt, 29 years; Mark T. Thies, five years; Thomas M. Ohlmacher, 28 years; and Steven J. Helmers, two years. Mr. Hoyt's benefits will be reduced for service from prior employment.

The benefits in the foregoing table were calculated as a straight life annuity. Amounts shown are exclusive of Social Security benefits and include benefits from both the Defined Benefit Retirement Plan and from the Pension Equalization Plan assuming a 100 percent vested interest in the Pension Equalization Plan.

Nonqualified Deferred Compensation Plan

We have a Nonqualified Deferred Compensation Plan for a select group of management or highly compensated employees. Eligibility is determined by the Compensation Committee. Eligible employees may elect to defer up to 50 percent of their base salary and up to 100 percent of their Short-Term Annual Incentive Plan Award, including Company stock. The deferrals are deposited into a trust account where the participants may direct the investment of the deferrals (except for Company stock deferrals) as allowed by the plan. Investment earnings are credited to the participants' accounts. Upon retirement, the Company will distribute the account balance to the participant according to the distribution election filed with the Compensation Committee. The participants may elect either a lump sum payment to be paid within 30 days of retirement, or annual or monthly installments over a period of years designated by the participant, but not to exceed 15 years.

Retirement Savings Plan

We have a Retirement Savings Plan under Section 401(k) of the Internal Revenue Code of 1986, as amended, which permits our employees and those of our subsidiaries, including officers, to elect to invest up to 20 percent of their eligible earnings on a pre-tax basis into an investment fund subject to limitations imposed by the Internal Revenue Code.

We provide a matching contribution of 100 percent of the employee's tax deferred contribution, subject to a maximum of three percent of the employee's compensation. Employees may invest the contribution provided by the Company in any of the investment choices offered in the Retirement Savings Plan.

17

Distribution from the fund will be made to employees at termination of employment, retirement, death, or in case of hardship. No amounts were paid or distributed pursuant to the Retirement Savings Plan to the individuals named herein nor to the officers as a group.

Executive Employment Contracts and Change of Control Arrangements

The following describes the employment contracts and change of control arrangements that are in place for certain executives named in the Summary Compensation Table on page 14.

Daniel P. Landguth

Mr. Landguth executed an employment contract with Black Hills Corporation, as approved by the Board of Directors, effective December 20, 2002. Under the Agreement, Mr. Landguth is employed as Chief Executive Officer of the Company until May 31, 2005 ("Termination Date"), when Mr. Landguth will retire as an executive officer of the Company. The Agreement further provides for the engagement of Mr. Landguth as an independent contractor consultant of the Company from June 1, 2005 through May 31, 2008. During his employment as Chief Executive Officer, Mr. Landguth's annualized salary will be a base sum not less than \$516,500. The Board of Directors may approve annual increases in the salary rate, and Mr. Landguth shall be eligible to participate in incentive and other bonus programs customarily provided to executive officers of the Company. As a non-employee consultant, Mr. Landguth shall be paid as follows: From June 1, 2005 to May 31, 2006, the sum of \$300,000; From June 1, 2006 to May 31, 2007, the sum of \$200,000; and From June 1, 2007 to May 31, 2008, the sum of \$100,000. The Agreement also provides that Mr. Landguth, beginning on June 1, 2005, shall receive payment of undiscounted Pension Equalization Plan benefits at age 58, at the rate and on the terms that would have been payable commencing at the age of 62.

The Agreement may be terminated without cause by either party, on thirty (30) days written notice. In the event of termination by the Company without cause, Mr. Landguth shall receive payment of compensation and benefits through the Termination Date. A termination of the Agreement pursuant to a "change of control" of the Company is deemed to constitute a termination without cause. Mr. Landguth shall likewise receive payment through the Termination Date in the event he terminates the Agreement for "good reason." The Agreement defines "good reason" for termination to include non-consensual changes in any of Mr. Landguth's duties or responsibilities; any material, uncured failure by the Company to comply with any of the provisions of the Agreement; any non-consensual requirement by the Company that Mr. Landguth be based at any office or location other than an office or location in Rapid City, South Dakota, except for travel reasonably required in the performance of his responsibilities; and any proposed termination by the Company of the employment otherwise than as permitted by the Agreement. If the Company terminates the Agreement for "just cause," however, Mr. Landguth shall receive thirty (30) days written notice of termination, with no employment compensation or benefits paid beyond the date of termination. "Just cause" for termination includes an act of dishonesty on Mr. Landguth's part which is intended to result in his substantial personal enrichment at the expense of the Company; repeated violations by Mr. Landguth of his obligations under the Agreement which are demonstrably willful and deliberate and which result in material injury to the Company; conduct of a criminal nature which has or which is more likely than not to have a material adverse effect on the Company's reputation or standing in the community or on its continuing relationships with its customers or those who purchase or use its products; or fraudulent conduct in connection with the business or affairs of the Company, regardless of whether the conduct is designed to defraud the Company or others.

In consideration of the Agreement, Mr. Landguth agreed to cancel his Change of Control Agreement previously executed with the Company.

18

Everett E. Hoyt

Mr. Hoyt executed an employment contract with Black Hills Corporation, as approved by the Board of Directors, effective December 20, 2002. Under the Agreement, Mr. Hoyt is employed to perform services as assigned by the Chief Executive Officer of the Company until August 8, 2004 ("Termination Date"), when Mr. Hoyt reaches age 65 and will retire as an executive officer of the Company. During the term of the Agreement, Mr. Hoyt's annualized salary will be a base sum not less than \$347,800. The Board of Directors may approve annual increases in the salary rate, and Mr. Hoyt shall be eligible to participate in incentive and other bonus programs customarily provided to executive officers of the Company.

The Agreement may be terminated without cause by either party, on thirty (30) days written notice. In the event of termination by the Company without cause, Mr. Hoyt shall receive payment of compensation and benefits through the Termination Date. A termination of the Agreement pursuant to a "change of control" of the Company is deemed to constitute a termination without cause. Mr. Hoyt shall likewise receive payment through the Termination Date in the event he terminates the Agreement for "good reason." The

Agreement defines “good reason” for termination to include non-consensual changes in any of Mr. Hoyt’s duties or responsibilities; any material, uncured failure by the Company to comply with any of the provisions of the Agreement; any non-consensual requirement by the Company that Mr. Hoyt be based at any office or location other than an office or location in Rapid City, South Dakota, except for travel reasonably required in the performance of his responsibilities; and any proposed termination by the Company of the employment otherwise than as permitted by the Agreement. If the Company terminates the Agreement for “just cause,” however, Mr. Hoyt shall receive thirty (30) days written notice of termination, with no employment compensation or benefits paid beyond the date of termination. “Just cause” for termination includes an act of dishonesty on Mr. Hoyt’s part which is intended to result in his substantial personal enrichment at the expense of the Company; repeated violations by Mr. Hoyt of his obligations under the Agreement which are demonstrably willful and deliberate and which result in material injury to the Company; conduct of a criminal nature which has or which is more likely than not to have a material adverse effect on the Company’s reputation or standing in the community or on its continuing relationships with its customers or those who purchase or use its products; or fraudulent conduct in connection with the business or affairs of the Company, regardless of whether the conduct is designed to defraud the Company or others.

In consideration of the Agreement, Mr. Hoyt agreed to cancel his Change of Control Agreement previously executed with the Company.

Coincident with the execution of the Agreement, the Board of Directors also approved a First Amendment to the Agreement for Supplemental Pension Benefit dated January 20, 1992. The Agreement for Supplemental Pension Benefits, executed following Mr. Hoyt’s employment with the Company, provided that Mr. Hoyt would receive credit for years of service with a prior employer, for purposes of calculating his entitlement to benefits under the Company’s Pension Plan. The Amendment provided that the term “Pension Plan” includes the Employee’s Defined Benefit Plan, Pension Plan, and Pension Equalization Plan.

Change of Control Agreements

We have entered into change of control severance agreements with Thomas M. Ohlmacher, Mark T. Thies, Steven J. Helmers and certain of our other executive officers and key employees. The change of control severance agreements provide for certain payments and other benefits to be payable upon a change in control and a subsequent termination of employment, either involuntary or for a good reason.

19

A change in control is defined in the agreements as:

- an acquisition of 30 percent or more of our common stock, except for certain defined acquisitions, such as acquisition by employee benefit plans, us, or any of our subsidiaries; or
- members of our incumbent Board of Directors at the time the agreements were executed cease to constitute at least two-thirds of the members of the Board of Directors, with the incumbent Board of Directors being defined as those individuals consisting of the Board of Directors on the date the agreement was executed and any other directors elected subsequently whose election was approved by the incumbent Board of Directors; or
- approval by our shareholders of:
 - a merger, consolidation, or reorganization;
 - liquidation or dissolution;
 - or agreement for sale or other disposition of all or substantially all of our assets, with exceptions for transactions which do not involve an effective change in control of voting securities or Board of Directors membership, and transfers to subsidiaries or sale of subsidiaries; and
- all regulatory approvals required to effect a change in control have been obtained.

In the change of control severance agreements, a good reason for termination which would trigger payment of benefits is defined to include:

- a change in the executive’s status, title, position or responsibilities;
- a reduction in the executive’s annual compensation or any failure to pay the executive any compensation or benefits to which he or she is entitled within seven days of the date due;
- any material breach by us of any provisions of the change of control severance agreement;
- requiring the executive to be based outside a 50-mile radius from their present duty assignment; or
- our failure to obtain an agreement from any successor company to assume and agree to perform the change of control severance agreement.

Upon a change in control, the executive will have an employment contract for a three-year period, but not beyond age 65. During this employment term, the executive shall receive annual compensation at least equal to the highest rate in effect at any time during the one-year period preceding the change in control and shall also receive employment welfare benefits, pension benefits, and supplemental retirement benefits on a basis no less favorable than those received prior to the change in control.

If the executive’s employment is terminated during the three-year employment term involuntarily, or for a good reason, then the executive is entitled to the following benefits:

- severance pay equal to 2.99 times executive’s five-year average taxable compensation, provided that the foregoing payment is subject to proportionate reduction based upon when termination takes place during the three-year employment term and based upon a ratio of the executive’s employment term to 36 months; and
- continuation of employee welfare benefits for the remainder of the employment term, with an offset for similar benefits received, along with additional credited service under the Pension Equalization Plan and defined benefit retirement plan equal to the remainder of the employment term.

20

The change of control severance agreements contain a “cap” provision which reduces any amounts payable to an amount which would prevent any payments from being nondeductible under the Internal Revenue Code. The change of control severance agreements provide for reimbursement of legal fees and expenses of the executive incurred after the change in control by the executive in seeking to obtain or enforce any benefits provided by the change of control severance agreement. The executive is not required to mitigate the amount of any payment or benefit by seeking other employment or otherwise, and the payments or benefits are not reduced whether or not the executive obtains other employment and/or benefits, except for employee welfare benefits.

Audit Committee Report

In accordance with our written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing and financial reporting practices. Under the rules of the New York Stock Exchange, all of the members of the Audit Committee are independent. During the current year, the Audit Committee held five meetings, and the Committee chairperson, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with the Chief Financial Officer, Vice President – Controller and our independent auditors, Deloitte & Touche LLP, prior to public release.

The Audit Committee oversees our financial process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual

Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee obtained from Deloitte & Touche LLP a formal written statement describing all relationships between the auditors and us that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and discussed with Deloitte & Touche LLP any relationships that may impact their objectivity and independence and satisfied itself as to their independence. The Committee also discussed the quality and adequacy of the Company's internal controls with management, the internal auditors and Deloitte & Touche LLP. In addition the Committee reviewed with both the internal auditors and Deloitte & Touche LLP audit plans, audit scope and identification of risks.

The Audit Committee reviewed and discussed with Deloitte & Touche LLP all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present discussed and reviewed the results of the internal audit examinations and Deloitte & Touche LLP's examination of the financial statements.

Based on the above-mentioned review and discussions with management and Deloitte & Touche LLP, the Audit Committee recommended to the Board that our audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment of Deloitte & Touche LLP as the independent auditors and the Board of Directors concurred with the recommendation.

21

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

**THE BOARD OF DIRECTORS RECOMMEND A VOTE FOR RATIFICATION
 OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP TO SERVE AS
 INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR 2003**

On May 24, 2002, upon its review of the recommendation of the Audit Committee, the Board of Directors approved the dismissal of Arthur Andersen LLP ("Arthur Andersen") as the Company's independent auditors effective May 24, 2002.

In connection with the audits of the Company's two fiscal years ended December 31, 2001, and the subsequent interim period prior to May 24, 2002, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Anderson, would have caused Arthur Andersen to make reference thereto in its report on the financial statements of the Company for such time periods. Also, during those time periods, there were no "reportable events," as such term is used in Item 304(a)(1)(v) of Regulation S-K.
