Persons who are not already shareholders can purchase Common Stock through the Plan by making an initial investment of at least \$250 or authorizing automatic monthly withdrawals from a bank account of at least \$25 per month for a minimum of ten consecutive months.

The Plan allows you to:

- elect to have cash dividends paid on all or a percentage of your shares automatically reinvested in additional shares of our Common Stock;
- purchase our Common Stock through cash investments made by check or automatic monthly withdrawals from a checking or savings account;
- deposit all or a portion of your Common Stock certificates for credit to your Plan account;
- purchase shares for the account of another person;
- transfer shares to the existing account of another participant or to a newly-created account of a person not participating in the Plan;

The Administrator of the Plan is Wells Fargo Shareowner Services, a division of Wells Fargo Bank, N.A. Cash dividends and cash investments will be used to purchase shares of our Common Stock which, at our option, will be either newly issued or purchased by the Administrator on behalf of Plan participants in the open market. To the extent required by applicable law in certain jurisdictions, shares of Common Stock offered under the Plan to persons not presently shareholders are offered through Wells Fargo Advisors, LLC.

Our Common Stock is listed on the New York Stock Exchange under the symbol "BKH." The price of newly issued shares of Common Stock will be the average of the high and low sale prices of our Common Stock, as reported on the New York Stock Exchange Composite Tape, on the applicable investment date. ABOUT THIS PROSPECTUS

This prospectus replaces and supersedes our earlier Dividend Reinvestment and Stock Purchase Plan prospectus, dated May 6, 2008. This prospectus amends the Plan to:

- § register additional shares for issuance under the Plan;
- § increase the maximum monthly optional cash investment to \$25,000 per month; and
- § revise and update certain procedures and fees payable in connection with the Plan.

The amendment and restatement of the Plan will be effective upon filing of the registration statement containing this prospectus with the Securities and Exchange Commission, or SEC, except that the revised schedule of fees set forth in this Plan will become effective on October 1, 2011. All current participants in our Plan will automatically continue in the Plan. If you do not wish to continue participation in the Plan, you should contact the Plan Administrator.

Please read this prospectus carefully. If you own shares now, or if you decide to buy shares in the future, please keep this prospectus with your permanent investment records, since it contains important information about the Plan.

The Plan does not represent a change in our dividend policy, which will continue to depend on future earnings, financial requirements and other factors. The payment of dividends is at the discretion of our board of directors, which may change the amount and timing of dividends at any time without notice.

SUMMARY OF THE PLAN

The following summary description of the Plan is qualified by reference to the full text of the Plan which appears in this prospectus.

Dividend Reinvestment. You may elect to reinvest cash dividends on all, some or none of your shares of Common Stock. The Plan Administrator will use the cash dividends from the shares for which you elect reinvestment to purchase additional shares of Common Stock that will be added to your Plan account (see Question 11). We will pay cash dividends to you by check or direct deposit on shares for which you do not select reinvestment.

Optional Cash Investments. After enrolling in the Plan, you may purchase shares of our Common Stock through the Plan in any amount from a minimum of \$25 per investment to a maximum of \$25,000 per month. You may make optional cash investments by authorizing automatic monthly withdrawals from your bank account or by sending a check to the Plan Administrator at any time (see Question 12).

Initial Investment. If you are not already a shareholder of record, you may purchase Common Stock through an initial investment of at least \$250 or by authorizing automatic monthly withdrawals from your bank account and corresponding investments of at least \$25 for a minimum of ten consecutive months (see Questions 8 and 12).

Enrollment. To enroll in the Plan, you must complete and sign an Account Authorization Form and return it to the Plan Administrator or establish online access and enroll over the Internet (see Question 7).

Price of Shares Purchased Under the Plan. The price of shares of Common Stock purchased under the Plan will depend on whether the shares are purchased directly from us or on the open market. If the shares are purchased on the open market, the price will be the weighted average price at which the Plan Administrator acquires the shares for all Plan participants plus a brokerage commission (see Question 35). If the shares are purchased directly from us, the price of the shares will be the average of the high and low sale prices as reported on the New York Stock Exchange Composite Tape on the applicable investment date (see Question 16).

Frequency of Purchases for Dividend Reinvestment. The Plan Administrator expects to reinvest cash dividends on the applicable dividend payment date or, if the dividend payment date is not a trading day, the next trading day following the dividend payment date (see Question 17).

Frequency of Purchases for Optional Cash Investments. The Plan Administrator expects to invest initial and optional cash investments on Wednesday of each week or, if Wednesday is not a trading day, the next trading day following Wednesday (see Question 17).

Certificate Issuance. You may receive stock certificates for any whole shares held in your Plan account without charge at any time upon request (see Question 21).

Share Transfers and Gifts. You can transfer shares from your Plan account to another person and/or purchase shares for others as a gift (see Questions 22 and 23).

Selling Shares. You may request the Plan Administrator to sell some or all of the shares held in your Plan account. You will be charged certain transaction costs such as a service fee and broker's commission (see Questions 24 and 25).

Safekeeping. You may deposit Common Stock certificates with the Plan Administrator for safekeeping (see Question 33).

Before you decide to participate in the Plan, you should carefully consider the risks, uncertainties and any cautionary language or other information incorporated by reference in this prospectus, including the information in Item 1A, "Risk Factors," in our most recent Annual Report on Form 10-K, as supplemented by the information in Part II, Item 1A, "Risk Factors," in our Quarterly Reports on Form 10-Q filed since our most recent Annual Report on Form 10-K. In addition, there are risks associated with participation in the Plan, as described below.

Risks Relating to Participation in the Plan

The price of our shares may fluctuate between the time you decide to purchase shares under the Plan and the time of actual purchase. In addition, during this time period, you may become aware of additional information that might affect your investment decision, but you may not be able to change or cancel your purchase authorization.

You will not be able to direct the specific time or price at which your shares are sold under the Plan.

BLACK HILLS CORPORATION

We are a diversified energy company. Our predecessor company, Black Hills Power and Light Company, was incorporated and began providing electric utility service in 1941 and began selling and marketing various forms of energy on an unregulated basis in 1956. We operate principally in the United States with two major business groups: utilities and non-regulated energy. Our utilities group is comprised of our regulated electric utilities and regulated gas utilities segments, and our non-regulated energy group is comprised of our oil and gas, power generation, coal mining, and energy marketing segments.

Our electric utilities segment generates, transmits and distributes electricity to approximately 201,000 customers in South Dakota, Wyoming, Colorado and Montana. This segment includes the operations of our subsidiary Cheyenne Light, Fuel and Power Company, a combination electric and gas utility, and its approximately 34,500 gas utility customers in Wyoming. Our electric utilities own 687 megawatts of generation and 8,038 miles of electric transmission and distribution lines. Our gas utilities segment serves approximately 527,000 natural gas utility customers in Colorado, Nebraska, Iowa and Kansas and owns 626 miles of intrastate gas transmission pipelines and 19,638 miles of gas distribution mains and service lines. Our electric and gas utilities generated income from continuing operations of \$74.6 million for the year ended December 31, 2010 and had total assets of \$2.6 billion at December 31, 2010.

Our non-regulated energy group conducts business in four segments:

- **Oil and Gas.** Our oil and gas segment engages in the exploration, development and production of oil and natural gas, primarily in the Rocky Mountain region of the United States.
- **Power Generation.** Our power generation segment produces electric power from our generating plants and sells the electric capacity and energy primarily under long-term contracts.
- **Coal Mining.** Our coal mining segment produces coal at our coal mine located near Gillette, Wyoming.
- **Energy Marketing.** Our energy marketing segment is engaged in the marketing of natural gas, crude oil, coal, power, environmental products, renewable energy sources (such as biomass) and related products and services in the United States and in Canada.

Our non-regulated energy group generated income from continuing operations of \$13.6 million in the year ended December 31, 2010 and had total assets of \$1.1 billion at December 31, 2010.

Our oil and gas segment, which conducts business through our subsidiary Black Hills Exploration and Production, Inc., or BHEP, and its subsidiaries, acquires, explores for, develops and produces natural gas and crude oil for sale into commodity markets. As of December 31, 2010, the principal assets of our oil and gas segment included operating interests in oil and natural gas properties, including properties in the San Juan Basin (primarily New Mexico, including holdings within the tribal lands of the Jicarilla Apache and Southern Ute Nations), the Powder River Basin (Wyoming) and the Piceance Basin (primarily in Colorado) and non-operated interests in oil and natural gas properties including wells located in the Williston (Bakken Shale primarily in North Dakota), Wind River (Wyoming), Bearpaw Uplift (Montana), Arkoma (Oklahoma), Anadarko (Texas) and Sacramento (California) basins. We also own a 44.7% non-operated interest in the Newcastle gas processing plant and associated gathering system located in Weston County, Wyoming. The plant is adjacent to our producing properties in that area, and BHEP's production accounts for the majority of the facility's throughput. In addition, we own natural gas gathering, compression and treating facilities serving the operated San Juan and Piceance Basin properties and working interests in similar facilities serving our non-operated Montana and Wyoming properties. At December 31, 2010, we had total reserves of approximately 131 Bcfe, of which natural gas comprised 73% and oil comprised 27% of total reserves.

Our power generation segment acquires, develops and operates non-regulated power plants. At December 31, 2010, we held varying interests in independent power plants operating in Wyoming and Idaho with a total net ownership of 120 megawatts. In January 2011, we sold our ownership interests in the Idaho partnerships that own the Idaho facilities. We sell capacity and energy under a combination of mid- to long-term contracts, which mitigates the impact of a potential downturn in future power prices. We currently sell a substantial majority of our non-regulated generating capacity under contracts having terms greater than one year. We sell additional power into the wholesale power markets from our generating capacity when it is available and economical.

Our coal mining segment, which operates through our Wyodak Resources Development Corp. subsidiary, mines and processes low-sulfur, sub-bituminous coal at our Wyodak coal mine located in the Powder River Basin near Gillette, Wyoming. The Powder River Basin contains one of the largest coal reserves in the United States. We produced approximately 5.9 million tons of coal in 2010.

Through our subsidiary, Enserco, we engage in natural gas, crude oil, coal, power, environmental product and renewable energy source (such as biomass) marketing and trading in the United States and Canada. Our marketing operations are headquartered in Denver, Colorado, with a satellite sales office in Calgary, Alberta, Canada. Our energy marketing business seeks to provide services to producers and end-users of natural gas, crude oil, coal, power, environmental products and renewable energy sources and to capitalize on market volatility by employing certain risk-managed commodity trading strategies. We began marketing coal in June 2010 with the acquisition of a coal marketing business, we began power and environmental marketing late in the third quarter of 2010, and we began renewable energy source marketing in the second quarter of 2011. We believe that the diversity of the commodities portfolio that we market and the service provider focus of our energy marketing activities differentiate us from other energy marketers.

We are a South Dakota corporation. Our common stock is listed on the New York Stock Exchange under the symbol "BKH." Our principal and executive offices are located at 625 Ninth Street, Rapid City, South Dakota 57701 and our telephone number is (605) 721-1700. Our Internet address is www.blackhillscorp.com. Information on our website does not constitute part of this prospectus.

USE OF PROCEEDS

We have no basis for estimating either the number of shares of Common Stock that will ultimately be sold pursuant to the Plan or the price at which such shares will be sold. We will receive no proceeds from open market purchases of Common Stock under the Plan. We expect to use the proceeds from the sale of newly issued shares of Common Stock pursuant to the Plan for corporate development or general corporate purposes, which may include the repayment of short-term borrowings incurred for such purposes.

DESCRIPTION OF THE PLAN

The following question and answer statements constitute the full provisions of the Dividend Reinvestment and Stock Purchase Plan (the “Plan”) of the Company.

Purpose

1. What is the purpose of the Plan?

The purpose of the Plan is to provide participants with an economical and convenient method of purchasing our Common Stock. When we direct the Plan Administrator to purchase Common Stock directly from us, the Plan provides us with a cost-efficient way to raise additional capital.

Advantages

2. What are some of the advantages of participating in the Plan?

- You have an economical and convenient method of automatically investing all or a portion of your cash dividends and/or making optional cash investments in shares of our Common Stock.
- You may deposit all of your certificates of Common Stock with the Plan Administrator for safekeeping and credit to your Plan account.
- You pay no commission on shares purchased when newly issued shares are purchased under the Plan.
- Full investment of funds is possible under the Plan because the Plan permits fractions of shares, as well as full shares, to be credited to your account.
- Since the Plan Administrator holds shares in your account in book-entry form, you will avoid the cost and risk associated with the storage, loss, theft or destruction of stock certificates. You may receive stock certificates without charge at any time, upon request.
- Regular statements of account provide simplified record keeping.
- You can execute certain transactions over the telephone or online.

Disadvantages

3. What are some of the disadvantages of participating in the Plan?

- You will not be able to precisely time your purchases through the Plan and will bear the market risk associated with the fluctuations in the price of the Common Stock pending the investment of funds under the Plan (see Question 17).
- You will not be able to precisely time your sales of shares through the Plan and will bear the market risk associated with the fluctuations in the price of the Common Stock pending the sale of shares under the Plan (see Question 24).
- You will not earn interest on funds held by the Plan Administrator pending their investment (see Question 17).
- You may not pledge the shares credited to your Plan account until you withdraw the shares from the Plan.
- Plan accounts are not insured by the Securities Investor Protection Corporation, the Federal Deposit Insurance Corporation or any other entity.

Administration

4. Who administers the Plan?

Wells Fargo Shareowner Services (the “Plan Administrator”) administers the Plan. The Plan Administrator is responsible for enrolling new participants in the Plan, reinvesting dividends, processing optional cash investments, processing share sale requests, depositing and safekeeping Plan shares, processing requests for certificates, and issuing account statements. We have no control over the times or prices at which the Plan Administrator effects transactions in the open market or the selection of the broker/dealer used by the Plan Administrator to effect open market transactions.

If Wells Fargo Shareowner Services ceases to serve as Plan Administrator, we will designate its successor.

Eligibility for Participation

5. Who is eligible to participate in the Plan?

Any interested investor, whether or not an existing shareholder of record of our Common Stock, is eligible to participate in the Plan. If you hold our Common Stock through a broker, bank or other nominee, please see Question 9 for information about how you may participate.

Regulations in certain countries may limit or prohibit participation in this type of Plan. Accordingly, persons residing outside the United States who wish to participate in the Plan should first determine whether they are subject to any governmental regulation prohibiting their participation.

Account Forms

6. What forms do I use to enroll in the Plan, request certain transactions or make changes to my Plan account?

You should obtain the proper form as described below and return it to the Plan Administrator. You may obtain these account forms by contacting the Plan Administrator by telephone, or downloading the forms online (see Question 4).

Account Authorization Form. An Account Authorization Form is used to enroll in the Plan, change address of record, select or change a dividend reinvestment option and, if you choose, authorize, change or terminate your automatic monthly withdrawals and/or authorize automated account access.

Transaction Request Form. A Transaction Request Form is used to establish, change or terminate automatic monthly withdrawals, make optional cash investments, sell Plan shares, deposit share certificates, request certificates for Plan shares and terminate participation in the Plan. A Transaction Request Form is attached to each account statement mailed to participants.

Automated Request Authorization Form. An Automated Request Authorization Form is used to establish telephonic access to your Plan account and enable you to conduct Plan transactions by telephone.

You can conduct certain Plan transactions by telephone and online without having to submit account forms to the Plan Administrator once you have established telephonic or online account access (see Questions 26 and 27). Questions 7 and 28 describe how you can establish online account access.

Enrollment

7. How do I enroll in the Plan?

You may enroll in the Plan online or by completing an Account Authorization Form and returning it to the Plan Administrator.

Online. You can enroll online at www.shareowneronline.com. At the time of establishing online account access, you will be required to provide certain information such as: social security number(s), account number(s), company name (Black Hills Corporation) and email address in order to complete the enrollment process. After establishing online account access, you will be able to view your account online and conduct certain transactions online (see Questions 27 and 28).

Mail. You can also enroll by completing an Account Authorization Form and returning it to the Plan Administrator at the address set forth in Question 4. You can obtain an Account Authorization Form at any time by going online or by contacting the Plan Administrator at the address or telephone number stated in Question 4.

In addition to the enrollment procedures described above, interested investors who are not already shareholders of record must make an initial investment as set forth in Question 8.

8. Are there any additional enrollment requirements for investors who are not already shareholders?

If you are not already a shareholder of record, you must make an initial investment of at least \$250 or authorize automatic monthly withdrawals from your bank account and corresponding investments of at least \$25 for a minimum of ten consecutive months.

9. How do I participate if my shares are held for me in the name of my bank or broker?

Beneficial owners whose shares are registered in names other than their own (for example, in the name of a broker, bank nominee or trustee) may participate in the Plan by one of the following three ways.

- Beneficial owners may participate by having at least one of their shares registered into their own names.
- Beneficial owners can make arrangements for such participation with the broker or fiduciary institution in whose name the stock is registered without having to transfer any shares into their own names, if the broker or fiduciary institution agrees to provide such a service. In this case, it is the broker or fiduciary institution that becomes a participant in the Plan.
- A beneficial owner can enroll in the Plan by completing an Account Authorization Form and making the initial investment that is required for investors who are not already shareholders (see Question 8).

When to Join the Plan

10. When may I join the Plan?

You may join the Plan at any time. If you are a shareholder of record and have elected to have your cash dividends reinvested and the Account Authorization Form is received by the Plan Administrator before the record date for the payment of a dividend, then the dividend will be used to purchase additional shares of Common Stock for you. If the Account Authorization Form is received after the record date for a dividend, the reinvestment of dividends will not start until payment of the next dividend. Dividend payment dates for Common Stock dividends will generally be March 1, June 1, September 1 and December 1. Record dates will usually be about ten to fifteen days prior to the dividend payment dates.

Dividend Reinvestment

11. How does dividend reinvestment work?

You will need to select one of three dividend reinvestment options offered through the Plan when you enroll. Your selection will apply to shares held in your Plan account and shares registered in your name. You can change your selection at any time by following the instructions given in Question 13.

Your three dividend reinvestment options are as follows:

- **Full Dividend Reinvestment.** You can elect to automatically reinvest cash dividends paid on all shares then or subsequently registered in your name and all shares then or subsequently held in your Plan account, including fractional shares and shares purchased under the Plan, in shares of Common Stock.
- **Partial Dividend Reinvestment.** You can elect to have a percentage from 10 percent to 90 percent, in increments of 10 percent, of the total number of shares then or subsequently registered in your name and then or subsequently held in your Plan account with respect to which you want cash dividends reinvested. The Plan Administrator will reinvest the cash dividends paid on the specified percentage in shares of Common Stock.
- **Optional Cash Investments Only.** You can elect optional cash investments only. None of the dividends on shares registered in your name or in your Plan account will be reinvested, but will instead be paid in cash to you.

Regardless of your choice of dividend reinvestment option, you may make optional cash investments at any time.

Optional Cash Investments

12. How do I make optional cash investments?

You can make optional cash investments by authorizing automatic monthly withdrawals from your designated United States bank account or by sending a check in U.S. funds payable to Shareowner Services at any time. You can vary your optional cash investments from a minimum of \$25 per transaction up to a maximum of \$25,000 per month. If you are not already a shareholder of record, your initial investment must be at least \$250 or you must authorize automatic monthly withdrawals from your designated bank account and corresponding investments of at least \$25 for a minimum of ten consecutive months.

Check. When making optional cash investments by check, you must include a completed Transaction Request Form. A Transaction Request Form is attached to your account statement. You can also obtain a Transaction Request Form by contacting the Plan Administrator (see Question 4).

You should make your checks payable to Shareowner Services, include your account number on your check and refer to Black Hills Corporation. You should mail your check directly to the Plan Administrator at the address set forth in Question 4. The Plan Administrator will make every effort to process your investment for the next investment date, provided that it receives the funds no later than one business day prior to an investment date. Otherwise, the Plan Administrator will hold cash investments for investment on the next investment date (see Question 17). Do not mail checks to Black Hills Corporation.

Your check must be in U.S. dollars and drawn on a United States bank. If you live outside the United States, contact your bank to verify that they can provide you with a check that clears through a United States bank and can print the dollar amount in U.S. funds. Due to the longer clearance period, we are unable to accept checks through a non-United States bank. Please do not send cash.

You may obtain a refund of any cash investment upon request received by the Plan Administrator on or before the second business day prior to the date on which it is to be invested. However, the Plan Administrator will not make any refunds until it has actually collected the funds from any check.

If any optional cash contribution, including payments by check or automatic withdrawal, is returned for any reason, the Plan Administrator will remove from the participant's account any shares purchased upon prior credit of such funds, and will sell those shares. The Plan Administrator may sell other shares in the account to recover a \$35.00 returned funds fee for each optional cash contribution returned unpaid for any reason and may sell additional shares as necessary to cover any market loss incurred by the Plan Administrator.

Automatic Electronic Funds Transfer. In addition to making optional cash investments by check, you may authorize automatic one-time or monthly withdrawals from a designated United States bank account. With automatic withdrawals, your bank account is debited five business days before the investment date. The investment date for funds received from automatic monthly withdrawals is the third Wednesday of each month or, if the third Wednesday is not a trading day, the next trading day following the third Wednesday of each month.

You will not receive any confirmation of the transfer of funds other than as reflected in your monthly Plan account statement and in your bank statement.

To authorize automatic one-time or monthly withdrawals from your designated United States bank account, new investors can go online or complete and sign the Automatic Investment Cash Withdrawal and Investment Service section of the Account Authorization Form and return it to the Plan Administrator together with a voided blank check or deposit slip for the account from which funds are to be transferred. Current participants can go online to authorize monthly automatic withdrawals. Your automatic funds transfers will begin as soon as practicable after the Plan Administrator receives your request.

You can stop the Automatic Cash Withdrawal and Investment Service by going online, by telephone if you have automated account access, or by writing to the Plan Administrator at the address shown in this prospectus (see Question 4).

Participants may change the designated account for automatic deduction or discontinue this feature by written instructions to the Plan Administrator.

To be effective with respect to a particular investment date, your change or termination request must be received by the Plan Administrator at least 15 business days prior to the investment date.

Changing Your Investment Options

13. May I change my investment options under the Plan?

You may change your investment options at any time by contacting the Plan Administrator by telephone, making the request online or completing and returning an Account Authorization Form (see Questions 26 and 27 regarding telephone and online transactions). The Plan Administrator must receive notice of your change in dividend reinvestment option before the record date for the payment of the dividend in order for the change to be effective with that dividend.

Source of Shares Offered

14. What is the source of shares purchased under the Plan?

Shares purchased by the Plan Administrator under the Plan may come from:

- our authorized but unissued shares of Common Stock,
- shares of Common Stock purchased through the Plan Administrator on the open market, or
- a combination of the foregoing.

Number of Shares to be Purchased

15. How many shares will be purchased for me?

The number of shares of Common Stock purchased for you will depend on the amount of cash dividends being reinvested, if any, the amount of your optional cash investments, if any, and the purchase price per share for the applicable purchase date. Income tax withholding may be deducted from your cash dividend if you fail to give the Plan Administrator your social security number or if you are a foreign shareholder (see Question 31). Both whole and fractional shares will be purchased, with the latter computed to three decimal places. Shares purchased, including fractional shares, will be credited to your Plan account.

Price of Shares

16. What will be the price of shares of Common Stock purchased under the Plan?

If we elect to satisfy the requirements of the Plan with shares of Common Stock purchased on the open market, the price of such shares for both dividend reinvestment and optional cash payments will be the weighted average price at which the Plan Administrator acquires the shares for all Plan participants plus a brokerage commission.

If we elect to satisfy the requirements of the Plan with newly issued shares of Common Stock, the price of such shares will be 100 percent of the average of the high and low sale prices of the Common Stock on the New York Stock Exchange – Composite Transactions on the applicable investment date. No shares of Common Stock will be sold under the Plan at less than their par value per share (\$1.00).

When are Shares Purchased?

17. When are shares purchased under the Plan?

The timing of purchases under the Plan depends on whether the Plan Administrator is reinvesting dividends or investing initial and optional cash investments.

Dividend Reinvestment. The Plan Administrator expects to reinvest cash dividends on the applicable dividend payment date or, if the dividend payment date is not a trading day, the next trading day following the dividend payment date. The date of any such reinvestment is referred to as an “investment date.”

Initial and Optional Cash Investments. The Plan Administrator expects to invest initial and optional cash investments on (a) Wednesday of each week or, if Wednesday is not a trading day, the next trading day following Wednesday or (b) in any week in which a cash dividend is paid, the dividend payment date or, if the dividend payment date is not a trading day, the next trading day following the dividend payment date. The date of any such investment is referred to as an “investment date.”

The Plan Administrator expects to complete all purchases on the applicable investment date, but it will make all purchases within five business days of the applicable investment date, subject to any waiting periods required under applicable laws or stock exchange regulations.

The Plan Administrator will not be liable for any claim arising out of failure to purchase stock on a certain date or at a specific price. You bear this risk by participating in the Plan.

You will not earn interest on funds held by the Plan Administrator pending their investment in Common Stock. During the period that an optional cash investment is pending, the collected funds in the possession of the Plan Administrator may be invested in certain “Permitted Investments.” For purposes of this Plan, “Permitted Investments” mean any money market mutual funds registered under the Investment Company Act (including those of an affiliate of the Plan Administrator or for which the Plan Administrator or any of its affiliates provides management advisory or other services) consisting entirely of (i) direct obligations of the United States of America or (ii) obligations fully guaranteed by the United States of America. The Plan Administrator will retain any investment income from such investments and will bear the risk of loss from such investments.

Direct Registration

18. What is Direct Registration?

We are a participant in the Direct Registration System (DRS). DRS is a method of recording shares in book-entry form. Book-entry means that your shares are registered in your name on the books of the Company without the need for physical certificates and are held separately from any Plan shares you may own. Shares held in book-entry have all the traditional rights and privileges as shares held in certificate form. With DRS you can eliminate the risk and cost of storing certificates in a secure place; eliminate the cost associated with replacing lost, stolen, or destroyed certificates; and move shares electronically to your broker. Any future share transactions involving the Plan will be issued in book-entry form rather than physical certificates unless otherwise specified by the requester.

19. Can I have my shares electronically transferred?

You may choose to have a portion or all of your full book-entry or Plan shares delivered directly to your broker by contacting your broker/dealer. When using your broker to facilitate a share movement, provide them with a copy of your DRS account statement.

How to Withdraw from the Plan

20. When and how can I withdraw from the Plan?

You can terminate your participation in the Plan at any time by submitting the appropriate information on the Transaction Request Form attached to your account statement or by submitting a written request, which includes your account number and references “Black Hills Corporation” to the Plan Administrator. Your written request for termination should be signed by the authorized signers as they appear on their account statement. You may also terminate your participation in the Plan by telephone if you have automated account access (see Question 26).

If your request to terminate from the Plan is received on or after a dividend record date, but before the dividend payment date, your termination will be processed as soon as practicable, and a separate dividend check will be mailed to you. Future dividends will be paid to you in cash, unless you rejoin the Plan.

The Plan Administrator must receive requests to terminate automatic monthly withdrawals from a bank account at least 15 business days prior to the scheduled investment date to ensure that your request is effective as to the next optional cash investment.

Upon termination of your participation in the Plan, the Plan Administrator will convert the number of whole shares in your Plan account to book-entry (DRS) (or send you a certificate representing that number of shares if you request) and a check, less any applicable brokerage commissions and service fees, for your fractional share interest. If you request, the Plan Administrator will sell some or all Plan shares on your behalf. After the settlement of the sale, the Plan Administrator will send you a check, less the applicable brokerage commissions and service fees, and a DRS statement (or a certificate if requested) representing any whole shares not sold. If no election is made in the request for termination, full Plan shares will be converted to book-entry (DRS) and a check will be issued for the fractional share, less any applicable brokerage commissions and service fees. In every case, the participant's interest in a fractional share will be settled in cash at the current market price.

If you submit a request to sell all or part of your Plan shares, and you request net proceeds to be automatically deposited to a bank checking or savings account, you must provide a voided blank check for a checking account or blank savings deposit slip for a savings account. If you are unable to provide a voided check or deposit slip, your written request must have your signature(s) medallion guaranteed by an eligible financial institution for direct deposit. Requests for automatic deposit of sale proceeds that do not provide the required documentation will not be honored and a check for the net proceeds will be issued.

The Plan Administrator can terminate your participation in the Plan if you do not own at least one full share in your name or hold at least one full share through the Plan.

Withdrawal of Shares

21. Can I withdraw shares from my Plan account?

If you wish to remain in the Plan but withdraw full shares, you may do so at any time by returning the Transaction Request Form attached to your account statement to the Plan Administrator or by contacting the Plan Administrator by telephone (see Question 26) or online at www.shareowneronline.com (see Question 28). Any remaining whole or fractional shares will remain in your Plan account.

Withdrawal of the entire share balance from the Plan will be considered a termination. If you request to transfer all shares in your Plan account between a dividend record date and dividend payment date, your transfer request will be processed; however, your Plan account will not be terminated. You may receive additional dividend reinvestment shares which will require you to submit a written request to transfer the additional shares. You may elect to re-enroll at any time by submitting a completed Account Authorization Form to the Plan Administrator.

Share Transfers and Gifts

22. May I transfer Plan shares to another person?

You may transfer Plan shares to another person subject to compliance with any applicable laws. To do this, you must complete and sign a stock power and return the completed executed stock power to the Plan Administrator. Your signature on the stock power must be medallion guaranteed by an eligible financial institution. You can obtain a stock power online or by contacting the Plan Administrator by telephone.

To transfer shares to an existing account of another Plan participant, provide the participant's name and account number on the stock power. If the recipient is not already a participant in the Plan, you can instruct the Plan Administrator to open an account for the recipient. You can do this by submitting an Account Authorization Form and choosing a dividend reinvestment option for the recipient. You can also instruct the Plan Administrator to issue a share certificate in the recipient's name.

The Plan Administrator will use the following guidelines to execute share transfers when specific instructions are not provided on the stock power form:

- When transferring shares to a Plan participant, the Plan Administrator will transfer the shares to the participant's existing account.
- When transferring shares to a current shareholder not participating in the Plan, the Plan Administrator will issue the shares in the shareholder's name in book-entry form rather than physical certificates unless otherwise specified by the requestor.
- When transferring shares to a person who is not a current shareholder, the Plan Administrator will automatically open up an account for the person and enroll them in the Plan. The Plan Administrator will select the "Full Dividend Reinvestment" option for this account. The shareholder can change this dividend reinvestment option at any time (see Question 13).

23. May I purchase shares for others?

You may purchase shares of Common Stock for others by making cash investments on their behalf. If the recipient is not already a participant in the Plan, you must have them complete an Account Authorization Form and return the completed form to the Plan Administrator together with either an initial investment of at least \$250 or authorization for automatic monthly withdrawals from a designated bank account and corresponding investments of at least \$25 for a minimum of ten consecutive months. If the participant is already a participant in the Plan, you can submit a check of at least \$25 with the recipient's account number and name on it.

Sale of Shares

24. How can I sell shares in my Plan account?

You may request at any time that the Plan Administrator sell some or all of the shares held in your Plan account by completing a Transaction Request Form or submitting a written request, which includes your account number and references "Black Hills Corporation" to the Plan Administrator.

If the current market value of the shares requested to be sold is \$25,000 or less, and you have previously authorized automated account access, you may sell Plan shares by contacting the Plan Administrator by telephone or requesting the sale online (see Questions 26 and 27). This limitation has been set to help protect against unauthorized sales. In addition, the Plan Administrator, for any reason at its sole discretion and at any time, has the right to decline to process a telephone or online sale request and in its place require written submission of the sales request.

The Plan Administrator will make every effort to process your sale order on the next trading day following receipt of your properly completed request, provided that instructions are received before 5:00 p.m. Central Time. Sale requests involving multiple transactions may experience a delay. The Plan Administrator will not be liable for any claim arising out of failure to sell stock on a certain date or at a specific price. You bear the risk by participating in the Plan.

The Plan Administrator will mail the proceeds from the sale of the shares, less applicable brokerage commissions and service fees, to you after settlement of the sale. You can choose to receive the proceeds from the sale by check payable to the name or names in which your Plan account is registered or to have the proceeds deposited directly into your United States bank account.

25. Will I incur any expenses in connection with the sale of shares under the Plan?

The Plan Administrator charges a service fee of \$15.00 per transaction and a brokerage commission of \$0.15 per share sold. The Plan Administrator deducts these fees directly from the sale check or direct bank deposit.

Account Access

26. May I execute transactions by telephone?

In order to conduct transactions by telephone, you will need to authorize automated access for your account and select a personal identification number for security purposes. You can obtain an Automated Request Authorization Form from the Plan Administrator (see Question 4). After you have authorized automated access, you will be able to:

- Change your dividend reinvestment option;
- Change the dollar amount or terminate automatic monthly withdrawals from your bank account;
- Request a certificate for all or a portion of your whole Plan shares, if the current market value of the shares to be issued is \$50,000 or less; and
- Sell all or a portion of your Plan shares, if the current market value of shares to be sold is \$25,000 or less and you have a United States bank account.

27. May I view my account information and execute transactions online?

In order to conduct transactions online, you will need to establish online access to your account in the manner described in Question 28. The Plan Administrator maintains an Internet web site at www.shareowneronline.com that allows you to view your account balance, stock values, dividend information, reinvestment details and other helpful information. You can use online access to:

- Enroll in the Plan;
- Change your dividend reinvestment option;
- Authorize, change or terminate automatic monthly withdrawals from your bank account;
- Sell all or a portion of your Plan shares, if the current market value of the shares to be sold is \$25,000 or less, you have an United States bank account and, for joint accounts, you have previously authorized automated account access (you can obtain an Automated Request Authorization Form from the Plan Administrator – see Question 4); and
- Update your personal information.

28. How do I establish online access?

Participation in the Plan through the Plan Administrator's online service is voluntary. To establish online access go to www.shareowneronline.com.

For non-shareholders of record (new investors): click on "Direct Purchase Plan," under the column titled Invest in a Plan. Next, click on "Invest Now" under the column New Investors for Black Hills Corporation. Then follow instructions on the "Buy Shares" page.

For current shareholders of record: click on "Sign Up Now!" under "I am a Current Shareowner." You will need your 10-digit account number, your 12-digit Authentication ID and a valid email address. Your account number can be found on your dividend check, dividend deposit notice or account statement. If you do not have your Authentication ID, you may request one online or by phone. Your Authentication ID will be sent to your mailing address on file.

After you have successfully signed up, you will be able to access your account immediately. You will also receive written confirmation to your mailing address on file that your account has been activated for online access.

Accounts that are registered in the name of an investment club, corporation, or partnership will not be allowed online access. Please note: additional access restrictions may apply.

Stock Dividends and Stock Splits

29. What happens if Black Hills Corporation issues a stock dividend or declares a stock split?

If we have a stock dividend or a stock split, the Plan Administrator will credit your Plan account on the payable date with the number of shares of Common Stock distributable with respect to the Plan shares that you own as of the record date.

If you send a notice of termination or a request to sell to the Plan Administrator between the record date and the payable date for a stock distribution, the Plan Administrator will not process the request until the stock distribution is credited to your Plan account.

Federal Income Tax Consequences

30. What are the Federal income tax consequences of participating in the Plan?

You have the same Federal income tax obligations with respect to your dividends as do holders of Common Stock who are not participating in the Plan. This means that reinvested cash dividends pursuant to the Plan will be taxable as having been received even though you do not actually receive them in cash.

You will not realize any taxable income when you withdraw whole shares credited to your account under the Plan, but you will realize gain or loss when shares of Common Stock acquired under the Plan (including fractions of a share) are sold by the Plan Administrator or by you after withdrawal of the shares from the Plan. The amount of such gain or loss is equal to the difference between the amount received for such shares, reduced by the expenses of sale (including brokerage commissions and service fees charged for the sale of shares), and your tax basis in those shares sold.

As a general rule, the tax basis for shares or any fraction thereof credited to you under the Plan will be equal to the amount paid for the shares plus any brokerage commissions paid in connection with the purchase. The holding period for shares credited to you under the Plan commences the day following the credit of such shares to your account.

Compliance with Emergency Economic Stabilization Act of 2008

Effective January 1, 2012, the Plan qualifies as a “dividend reinvestment plan” under the meaning of Treasury Regulation 1.1012-1(e)(6)(i), which enables Plan participants to use the “average basis method” when determining the tax basis of any shares sold. However, in order to qualify for the average basis method you must elect to reinvest a minimum of 10 percent of the dividends (if any) paid on shares you hold in the Plan.

This Plan assumes that each participant will use the first-in, first-out (“FIFO”) method when determining the tax basis of any shares sold. Participants may designate their preference for a different method of determining the tax basis of shares by identifying this preference in writing to the Plan Administrator. Participants may designate their preference for “specific identification” cost basis at any time or, effective January 1, 2012, may designate their preference for the “average basis method” if they are reinvesting a minimum of 10 percent of the dividends (if any) paid on shares held in the Plan.

The foregoing description is only a summary of certain federal income tax consequences of participation in the Plan and does not purport to be a complete description of the federal income tax consequences of participation in the Plan. The description may be affected by future legislation, Internal Revenue Service rulings and regulations, or court decisions. You are advised to consult with your own tax advisor as to the application of the foregoing summary of Federal income tax consequences to your own tax situation.

Foreign Shareholders

31. What provision is made for foreign shareholders whose dividends are subject to income tax withholding?

In the case of those foreign shareholders whose dividends are subject to United States income tax withholding, an amount equal to the dividends less the amount of tax required to be withheld will be applied to the purchase of shares of Common Stock. The statement confirming purchases made for such foreign participants will indicate the net dividend payment reinvested.

Optional cash payments received from foreign shareholders in the form of a check must be in United States dollars and drawn on a United States bank and will be invested in the same manner as payments from other participants.

Voting of Shares

32. How will shares held in my Plan account be voted at meetings of shareholders?

For each meeting of shareholders, you will receive proxy materials that allow you to vote your Plan shares by proxy. If you do not return the proxy or return it unsigned, none of your shares will be voted unless you vote in person.

Safekeeping Services

33. May I deposit certificated shares in my account?

You may deposit Common Stock certificates in your possession with the Plan Administrator for safekeeping. Deposited shares represented by Common Stock certificates will be credited to your Plan account. Thereafter, the shares will be treated in the same manner as shares purchased through the Plan.

You are responsible for maintaining your own records on the cost basis of certificated shares deposited with the Plan Administrator.

To use this service, you must send your certificates to the Plan Administrator, accompanied by the Transaction Request Form attached to your account statement. Do not endorse the certificates or complete the assignment section on the back of the certificates.

Because you bear the risk of loss when sending stock certificates through the mail, we recommend that you send them registered and insured for at least 2 percent of the current market value of the shares represented thereby.

Optional Mail Loss Insurance

Please be advised that choosing registered, express or certified mail alone will not protect you should your certificates become lost or stolen.

The Plan Administrator can provide loss insurance for certificates being returned for conversion to book-entry form. Mail loss insurance covers the cost of the replacement surety bond only. Replacement transaction fees may also apply. To take advantage of the optional mail loss insurance, include a \$10.00 check, made payable to WFSS Surety Program, along with your certificates and instructions. To qualify for this service you must choose to use an accountable mail delivery service such as Federal Express, United Parcel Service, DHL, Express Mail, Purolator, TNT or United States Postal Service Registered Mail. Any one shipping package may not contain certificates exceeding a total value of \$100,000.

The value of certificate shares is based on the closing market price of the Common Stock on the trading day prior to the documented mail date. Claims related to lost certificates under this service must be made within 60 days of the documented delivery service mail date. This is specific coverage for the purpose of converting shares to book-entry form and the surety is not intended to cover certificates being tendered for certificate breakdown or exchange for other certificates.

34. May shares remain on deposit if participation in the Plan is discontinued?

No. Upon withdrawal from the Plan, Participants must elect either to receive their Plan shares in kind or sell them and receive the cash proceeds (see Question 20).

Fees and Expenses

35. Will I incur any fees or expenses participating in the Plan?

You will pay no fees and expenses when purchasing newly issued shares either with reinvested dividends or optional cash payments. Participants will be required to pay an aggregate price reflecting brokerage commissions for shares purchased in the open market. If you terminate participation in the Plan and elect to have the Plan Administrator sell shares, you will pay a transaction service fee plus brokerage commissions (see Question 25). The following fees apply to your participation in the Plan as of the dates indicated:

We and the Plan Administrator will not be liable for any act done in good faith or for any omission to act in good faith including, without limitation, any claim of liability arising out of failure to terminate a participant's account upon the participant's death prior to receipt of written notice of the death, the prices at which shares are purchased or sold for your account, the times when purchases or sales are made, check clearing or fluctuations in the market value of our Common Stock.

You should recognize that we and the Plan Administrator cannot assure you of profits, or protect you against losses, on the shares purchased under the Plan.

Modification and Discontinuation of Plan

37. May the Plan be modified or discontinued?

We reserve the right to suspend, modify or terminate the Plan at any time. Notification of any suspension, material modification or termination of the Plan will be sent to all affected participants in the Plan.

PLAN OF DISTRIBUTION

Except to the extent the Plan Administrator purchases shares of our Common Stock in the open market, we will sell directly to you, through the Plan Administrator, the shares of Common Stock acquired under the Plan.

Shares of Common Stock acquired under the Plan may be resold in market transactions on any national securities exchange on which shares of our common stock trade or in privately negotiated transactions. Our Common Stock currently is listed on the New York Stock Exchange under the trading symbol "BKH."

You also will have to pay a transaction service fee and a per share brokerage commission in connection with any voluntary sale of shares from your Plan account. For additional information, see Question 35. There are no transaction or trading fees associated with the acquisition of newly issued shares from us.

We reserve the right to deny, suspend or terminate participation in the Plan by otherwise eligible persons to eliminate practices that are inconsistent with the purpose of the Plan.

Item 15. *Indemnification of Directors and Officers.*

Section 47-1A-851 of the South Dakota Codified Laws allows a corporation to indemnify any person who was, is, or is threatened to be made a defendant or respondent to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative and whether formal or informal, by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity, against judgments, settlements, penalties, fines and reasonable expenses (including attorneys' fees) incurred by that person in connection with such action, suit or proceeding if that person acted in good faith and in a manner that person reasonably believed to be, in the case of conduct in an official capacity, in the best interests of the corporation, and in all other cases, at least not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such conduct was unlawful. Unless ordered by a court, the corporation may not indemnify a director (a) in respect of a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct in Section 47-1A-851, or (b) in connection with any proceeding with respect to conduct for which the director was adjudged liable on the basis that the director received a financial benefit to which the director was not entitled, whether or not involving action in the director's official capacity.

Our Bylaws provide that we shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, including all appeals, by reason of the fact that such person is or was serving or has agreed to serve as a director or officer of us or, at our request, of another corporation or entity, who acted in good faith and in a manner which such person reasonably believed to be within the scope of such person's authority and in, or not opposed to, our best interests, and, with respect to any criminal action or proceeding, the person had no reasonable cause to believe their conduct was unlawful, against liability incurred by such person in connection with the defense or settlement of such action or suit and any appeal therefrom. With respect to proceedings by or in our right to procure judgment in our favor, no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to us unless and only to the extent that the court in which such action or suit was brought shall determine that, despite the adjudication of such liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity. In addition, we have entered into specific agreements with our directors and officers providing for indemnification of such persons under certain circumstances.

Our Articles of Incorporation also eliminate the personal liability of our directors for monetary damages for breach of their fiduciary duty as directors. This provision, however, does not eliminate a director's liability (a) for any breach of the director's duty of loyalty to us or our shareholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) for unlawful distributions by directors in violation of the South Dakota Codified Laws, or (d) for any transaction for which the director received an improper personal benefit.

We carry directors' and officers' liability insurance to insure our directors and officers against liability for certain errors and omissions and to defray costs of a suit or proceeding against an officer or director.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for purposes of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes, that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-3 of Black Hills Corporation

Ladies and Gentlemen:

I am Senior Vice President - General Counsel of Black Hills Corporation, a South Dakota corporation (the "Company"), and I have acted as counsel for the Company in connection with the filing of a registration statement on Form S-3 (the "Registration Statement") with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Securities Act"), relating to the issuance and sale of up to 500,000 shares of the Company's Common Stock, par value \$1.00 per share (the "Shares"), pursuant to the Company's Dividend Reinvestment and Direct Stock Purchase Plan.

In reaching the conclusions expressed in this opinion, I have examined the Restated Articles of Incorporation and Amended and Restated Bylaws of the Company and the Registration Statement. In addition, I have (a) examined such certificates of public officials and of corporate officers and directors and such other documents and matters as I have deemed necessary or appropriate for the purpose of rendering this opinion, (b) relied upon the accuracy of facts and information set forth in all such documents, and (c) assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies, and the authenticity of the originals from which all such copies were made.

Based on the foregoing and subject to the qualifications and limitations stated herein, I am of the opinion that the Shares are duly authorized and, when issued and delivered upon payment of the consideration therefore (not less than the par value of the Common Stock) in the manner contemplated in the Registration Statement, will be validly issued, fully paid and non-assessable.

I am a member of the bar of the State of South Dakota. My opinion expressed above is limited to the laws of the State of South Dakota and the federal laws of the United States of America, and I do not express any opinion herein concerning the laws of any other jurisdiction.

I consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to me in the Prospectus constituting a part of the Registration Statement under the caption "Legal Opinions." In giving this consent, I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.

This opinion speaks as of its date, and I undertake no, and expressly disclaim any, duty to advise you as to changes of fact or law coming to my attention after the date hereof.
